- A translation of Je jouis pour vous, o Grand Isotope! by MiaQc

Glory to You, Isotope!

In Your Name, I, Deborah Currie, am ready for anything!

I know what you desire.

You want pleasure and I'm going to give it to you.

Look at me, Isotope!

I am naked for you!

I put a finger in my pussy.

Ohhh~.

I caress myself from within.

Ahhh~!

My finger gets wet.

I insert another into my sacred tunnel.

AHHHH~!

I squeeze my G-spot.

Again.

Again.

And again!

I scream with pleasure.

I cum for you, o Great Isotope!

Look at my juices flowing from my pussy.

Isn't it delicious?

Isn't it perfect?

My Atoms, my followers and I will honor you forever.

Ohhhh, glory to Isotope~!
